Palmetto, GA 30268

Dear Members,

Our training department has informed us that they have made the difficult decision to career change "Forrest" from the guide dog field.

Forrest arrived at Southeastern to begin his training in November of 2005. The trainers reported that although he adjusted well to his new environment, he displayed protective tendencies around his food dish. Forrest's trainers decided it would be best to take him out of the guide dog program.

Forrest was adopted by his puppy raiser family, the Price's of Fayetteville, Georgia, who adore him. Although our desire was for Forrest to succeed as a guide dog, we know he will provide extensive love to his new family.

Again we thank you so very much for the generous support provided to Southeastern's program the "Gift of Mobility."

Sincerely,

Dennis M. Norris  
Executive Director
