

Southeastern Guide Dogs  
Harness the power of freedom.

*Southeastern Guide Dogs  
is pleased to send you this picture  
of your sponsored puppy taken  
when the puppy was six weeks old.  
The puppy is sitting in a working guide  
dog harness dreaming of the day when  
the harness will fit perfectly.*

*When the puppy returns to Southeastern's  
kennels from the puppy raiser home  
you will receive a picture of the  
grown up puppy in the harness.*

*Your sponsorship has provided  
for the puppy's needs up until the time  
it begins formal training.*

*The puppy will return to  
Southeastern for professional training  
at the age of sixteen to twenty months.*

*Thank you again for helping us to  
"Harness the power of freedom."*
